## EDUCATION

---

### Bhagwan Parshuram Institue of Technology, Delhi

*Bachelor of Technology in Electronics and Electrical Engineering*

Nov. 2020 – Present

*CGPA – 8.1*

### Kendriya Vidyalaya New Bongaigaon, Assam

*Class XII*

Aug. 2017 – May 2019

*Percentage – 75*

## PROJECTS

---

### Chat app

*React, JavaScript, Firebase, ContextAPI*

Sept. 2022 – Present

[Link](#)

- Developed a modern, real-time web application for chatting using React, Firebase, CSS and Context API.
- Designed and implemented a responsive user interface with React, providing a seamless user experience across all devices and screen sizes.
- Managed global state and shared data between components using Context API, improving code organization and reducing the need for props drilling and also used CRUD operations.
- Implemented real-time messaging functionality using Firebase web SDK, allowing users to instantly send and receive messages without refreshing the page.
- Built a secure authentication system with Firebase Authentication, allowing users to create accounts and sign in securely using email and password or social media accounts.

### Box-Office

*React, CSS, RestfulAPI, TvmazeAPI*

Aug. 2022 – Present

[Link](#)

- Developed Box Office, a web application using React, RestfulAPI, TvmazeAPI, CSS, and other modern web technologies.
- Leveraged RestfulAPI and TvmazeAPI to retrieve and display accurate and up-to-date information about movies and actors.
- Designed an engaging user interface using CSS and dynamic styles for a seamless user experience.
- Utilized react-router for seamless navigation and custom hooks for efficient code management.

## ACHIEVEMENTS AND CERTIFICATIONS

---

- Solved around 100+ questions across multiple platforms like leetcode, hackerrank, codestudio.
- udeemy certification on Data structures and Algorithm.
- Udeemy certification on UI/UX Design
- Vounteered for CSI, BPIT and organized a 24-hour hackathon in my college.
- In Top 33 percent coders in Leetcode.
- Participated in various coding competitions.
- Completed an Internshala certification on React.
- Become second in chess competition which happened in our college in 2021 and also represent college chess team.

## TECHNICAL SKILLS

---

**Languages:** C/C++, SQL (Postgres), JavaScript,Java, Python, HTML/CSS, MySQL

**Frameworks:** React, Node.js, Material-UI, RestAPI

**Tech Stack:**MongoDB, Expressjs, React, Node.js (MERN)
